Salisbury

Welcome

SALISBURY

Modernist architecture.
Matchless practicality.

The perfect inner-city dwelling needs two things in ample supply: style and space.

Enter Salisbury, a bold statement in modern apartment living designed with young families and vivacious socialites in mind.

There's simplicity and practicality in the secure car parking and expansive interiors, but the defining character in this 12-apartment development – its bold palatial flair - comes thanks to the open plan living spaces, designed to make natural light a beautiful fixture in any decor.

Each apartment features two bedrooms and expansive balconies; if you adore sweeping urban vistas and endless open space for entertaining, you will find yourself drawn irresistibly to one of two apartments with a rooftop balcony and living space.

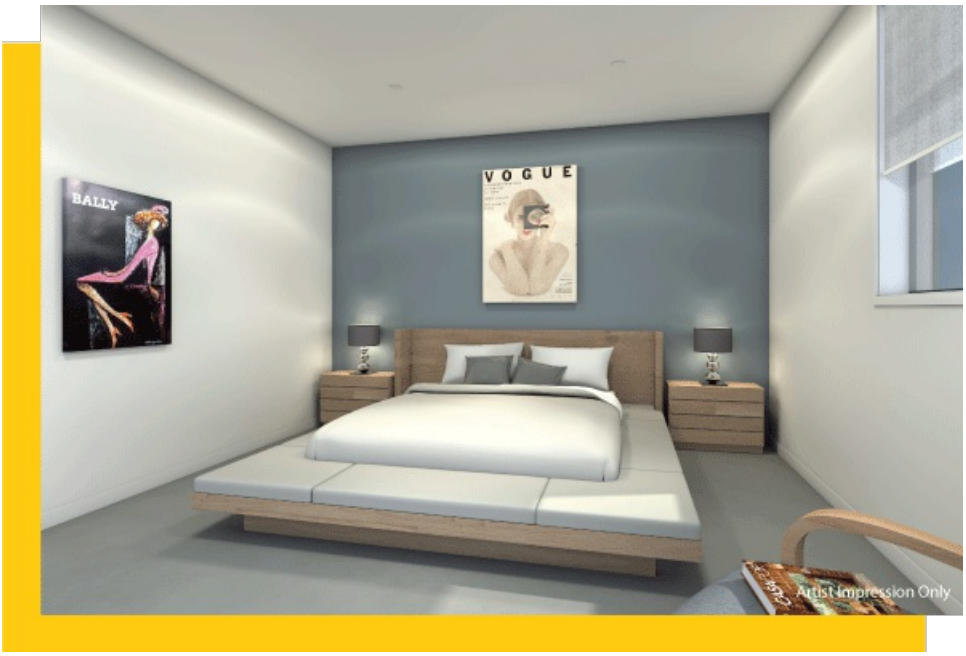

Simple ergonomic luxury, designed for the everyday.

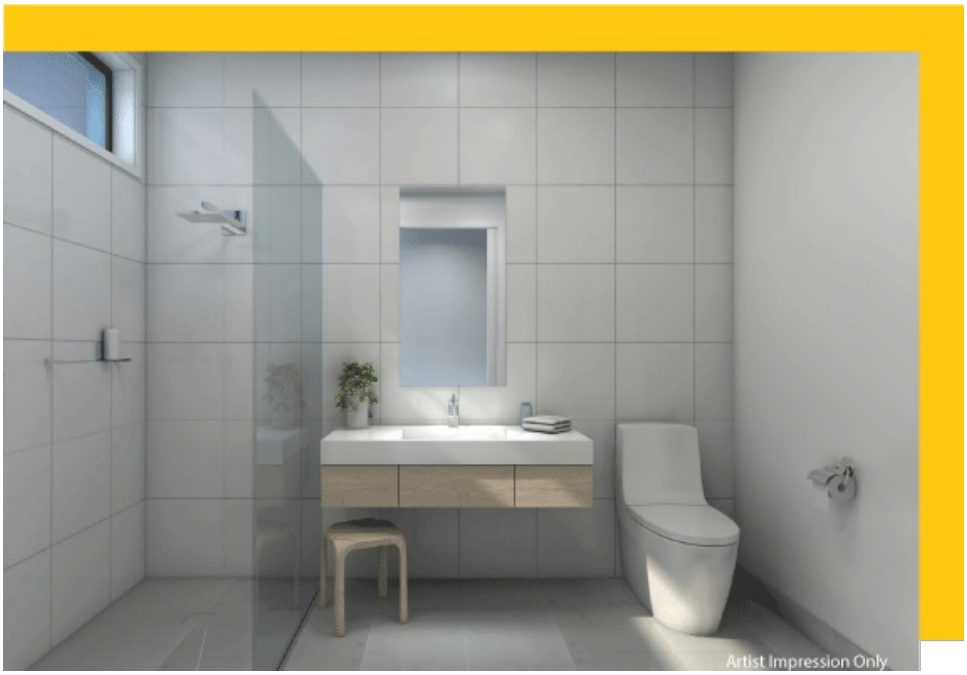

Making this home space your own is easy with the help of modern geometric architecture and stateof-the-art fittings chosen to suit a free-flowing living environment.

Here you'll find luxurious carpeting, exquisite timber and tiled spaces and faultless joinery as standard.
The result? Endless comfort for you and your loved ones – even young kids, who need and enjoy space to breathe.

Picture your home here: you'll love appointing each zone with its own distinct character, and Salisbury has been crafted to give you complete rein. And once the vision is complete, you'll find life evolves without any effort.

Alfresco dining, entertaining, reclining in solitude – all those everyday parts of life, brought into balance within one continuous, harmonious space. Beautiful to look at; easy to interact with. This is cosmopolitan living.

Salisbury

Location

Where suburban solitude gives way to a vibrant hub.

When it needs to be, Salisbury is a veritable haven from Werribee's verve – perfect for quiet Sunday afternoons spent lazing on a balcony lounge – but its proximity to the action is the key to its indisputable value as a trendy abode for young, sophisticated Melburnians.

Just beyond your door you will find a culinary melting pot of beloved cafes and restaurants; Werribee train station is a matter of mere footsteps from your bed; and nearby there's Woolworths and ALDI supermarkets, Officeworks,
Bunnings and the post office.
